

Choosing the right
Legal Management Solution
for your legal practice

RQ Net MSC Sdn Bhd

Leg@l, is a Malaysian designed and developed solution for Legal firms. The solution incorporates activities such as **litigation, conveyancing, client management, document management, advanced planning** and others.

All activities are linked to the Finance & Accounts module to ensure client's accounts are updated on line. This includes picking up time costs and reimbursements.

Leg@l is fully integrated with a modular structure that allows firms to select the required functionalities. The solution will be customized according to practice requirements.
